Boschhoek Berglandgoed
Mountain Estate

Waterberg

An estate like any city estate, only offering that much more. 1500 hectares of game rich mountains, plains, streams and dams in which to lose yourself and find your soul, only an hour and a half from Pretoria and two hours from Johannesburg. With a building footprint of only a quarter percent (0.25%), nature reigns supreme.

A place where family meet under the rising moon,

where watching traffic makes way for contemplating nature...

Full title ownership of a 1 – 2 hectare stand on which you may build as small as you like in the style you prefer, whether a rustic tent chalet with the bush as your living room

or a luxurious lodge blending into the mountain.

Stand prices of R599 000 to R899 000 with our flagship Boekenhoutvallei stands at R1 199 000 provide for every preference and pocket, knowing that all of Boschhoek's almost 1500 hectares is also yours for free! Levies of only R900 per month allow you to

hold for up to ten years until you are ready to build. With Boschhoek well nigh the last full title bush development of its kind, this may be your last chance to get a full title foothold in the bush.

With around 115 stands (80%) sold and almost 50 bush homes built, Boschhoek is well established and financially secure.

Boschhoek also provides for those who prefer to share with likeminded others.

At only R350 000 or R175 000 for a joint purchase with family or friends, only a few shares remain in our fully furnished 12 bed [Berg&Bosch Lodge](#) perched on one of the highest stands on Boschhoek. For a week every two months you may take your balcony seat above our amphitheatre at a monthly cost of only R450, revitalised in nature before returning to city life.

On the marketing front Boschhoek featured in another [full page article in Beeld](#) (scroll down to the bottom).

We also received visits from several members of the 70 000 strong , passionate bush lovers who relate to Boschhoek tracing back its roots to a bush camp under a tree in the Caprivi, some of whom who will soon be making Boschhoek their home.

On to events, and thanks to Sue and Sheila for hosting a lovely tree day, another of the Boschhoekers' regular get-togethers.

There is too much in nature that we take for granted...

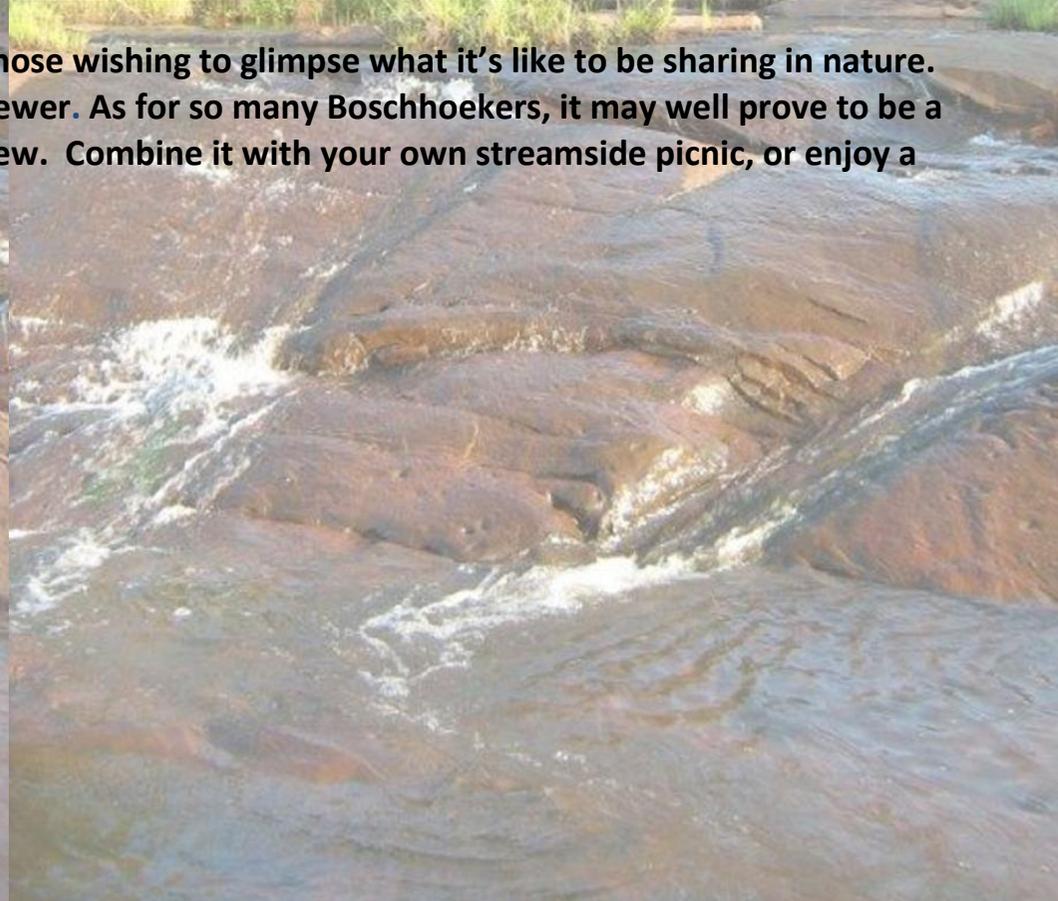

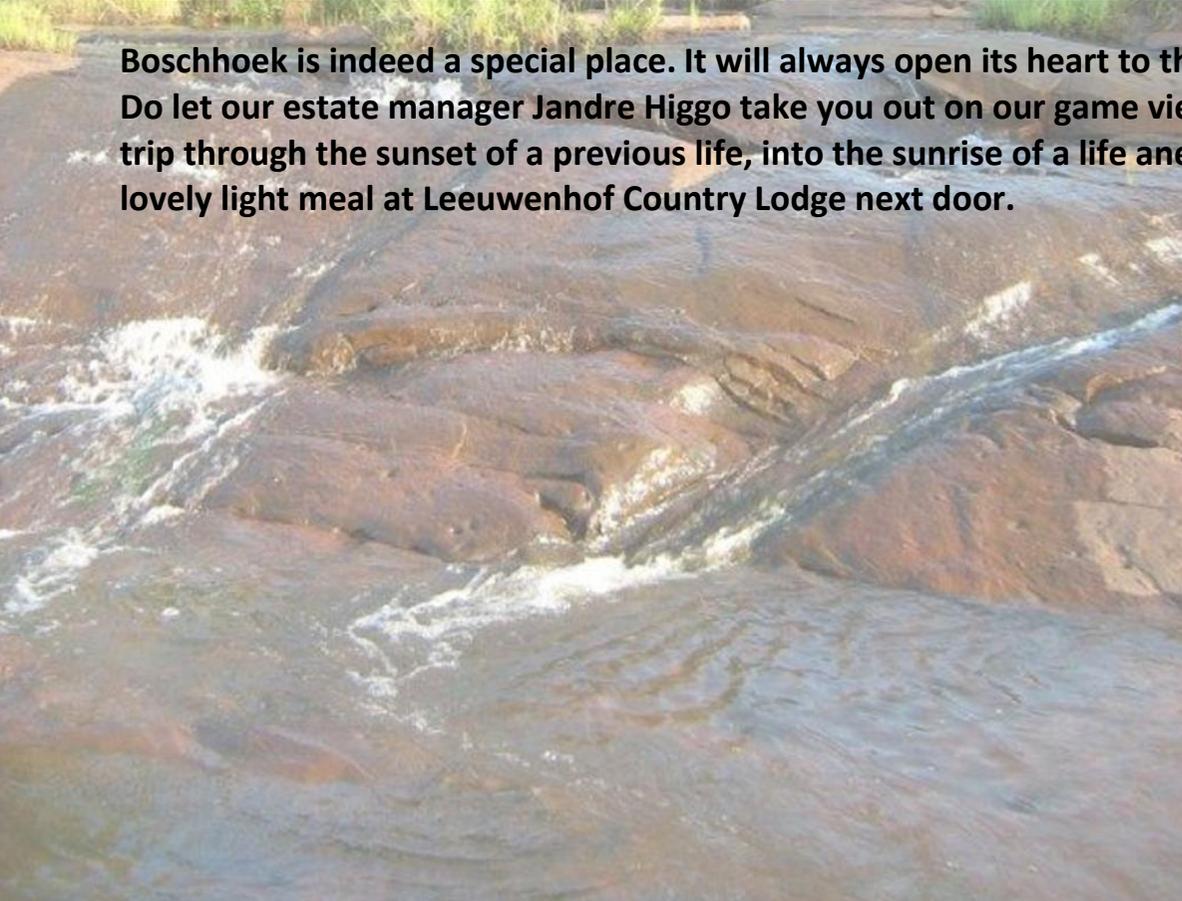

Another noteworthy milestone is the recent launching of the Boschhoek Navy!

As we hold our breaths for the first summer rains and watch for the change of season at nature's pace, we once again realise that what happens in the cities and the world around us becomes but a remote memory on Boschhoek. If we do have to return, we can do so bearing nature's inspiration in our soul and knowing that we'll be back before the week is out.

Boschhoek is indeed a special place. It will always open its heart to those wishing to glimpse what it's like to be sharing in nature. Do let our estate manager Jandre Higgo take you out on our game viewer. As for so many Boschhoekers, it may well prove to be a trip through the sunset of a previous life, into the sunrise of a life anew. Combine it with your own streamside picnic, or enjoy a lovely light meal at Leeuwenhof Country Lodge next door.

We are typically available Saturdays and Sundays at 09h30, 12h00 or 14h30. Kindly call to arrange.

Thanks to Nature for offering us the pics and to the Boschhoekers for taking them!
